EXCITING LEARNING EXPERIENCES

This month has been filled with exciting learning experiences and student achievements across various fields.

KEEP LEARNING AND STRIVING FOR SUCCESS

Message from our PEO

Dear Students,

I would like to take a moment to sincerely appreciate each of you for your dedication, energy, and passion. Your commitment to learning and personal growth has already created a strong and inspiring start to the year at AABT College.

We are proud of the remarkable progress made so far, welcoming new students into our community, introducing innovative courses aligned with industry needs, and simplifying our admission process to make education more accessible.

As we continue into the rest of the year, I encourage you to build on this momentum, stay focused on your goals, and take full advantage of the opportunities available to you. Together, let us make 2026 a year of continued growth, achievement, and success.

Warm regards,

Sami Byanju

PEO, AABT College

AABT College Excursion

Exploring the State Library of Victoria

On 10 February 2026, AABT College organized an educational excursion to the State Library of Victoria, giving students the chance to explore one of Melbourne’s most iconic cultural and academic institutions. The visit allowed them to experience the library’s historic architecture, exhibitions, and renowned study spaces such as the La Trobe Reading Room, while also learning how public libraries support academic research, self-learning, and community education.

Supervised by Aman Jaiswal (IT and Student Support Officer) and Sami Byanju (PEO), the excursion encouraged students to engage with diverse research materials, digital archives, and study facilities. This initiative reflects AABT’s commitment to holistic student development—combining classroom learning with real-world experiences that inspire curiosity, strengthen research skills, and connect students more deeply to Melbourne’s academic environment.

New Courses Launch

Learn what the future demands today.

AABT college is proud to introduce a range of new courses aligned with current industry demands and future career opportunities. These programs are carefully designed to equip students with practical skills, modern techniques, and real-world knowledge. Whether you're looking to enter a new field or upgrade your expertise, these new courses open doors to exciting and rewarding career paths, including:

- CPC30220 Certificate III in Carpentry
- CPC31320 Certificate III in Wall and Floor Tiling
- CPC50320 Diploma of Building and Construction (Management)
- CPC30620 Certificate III in Painting and Decorating
- CPC50220 Diploma of Building and Construction (Building)

Kitchen Practical Highlights

Where passion turns into professional skill.

In AABT's kitchen practical sessions, students turn passion into skill through hands-on culinary experiences. From mastering basic techniques to creating impressive dishes, every session is an opportunity to learn by doing. These practical classes not only build confidence but also prepare students for real-world kitchen environments where creativity and precision matter.

Workshop Practical in Action

Hands-on training that builds confidence.

AABT college emphasizes learning by doing, and workshop practical sessions are a key part of that approach. Students actively engage in real tasks, applying their knowledge to develop technical skills and problem-solving abilities. These sessions create a dynamic learning environment where confidence grows, and students gain the experience needed to succeed in their careers.

Message from our Marketing Manager

At AABT College, we believe student success comes from more than just education, it comes from support, guidance, and creating opportunities for growth.

We are proud to work with students from diverse backgrounds and remain committed to building a welcoming and career-focused learning environment.

As we continue to grow, our focus remains on empowering students with practical skills, confidence, and industry-ready knowledge for the future.
